

Jewish action for a just world

Jewish Global Citizenship Project

The following pages highlight peulot which you might find helpful when planning social action activities for your machanot.

These are just a few suggestions, there are many more peulot for you to choose from in our **educational packs**.

To view all our materials, please visit us at;

 www.tzedek.org.uk

Alternatively, if you wish to discuss any of our materials or want a Tzedek presence on your machanot then please feel free to;

call: 0207 443 5122

email: education@tzedek.org.uk

Global Connections

Globingo

Trade Education KS2, page 19

- Fun trigger activity based on bingo
- Chanichim explore how their lives are connected to places around the globe

Darkei Shalom (way of peace) Mandala

Trade Education KS2, page 20

- Trigger encouraging discussion on the concept of interdependence

Miniature Earth

- Short 4 minute online film
- Reduces the world's population to a community of only 100 making it easy to understand the injustice in the world

 <http://www.miniature-earth.com>

Going Global, Taking Action

Responsibility and Participation, page 9

- Chanichim take inspiration from examples of people's activism around the world
- Learn to identify what issues (e.g. climate change) matter to them and move towards an action plan

Environmental Issues & Climate Change

In the Same Boat?

Future Perfect KS4, page 11

- Chanichim compare Jewish sources with current stories of people affected by climate change in developing countries

Our Eco Footprints

Future Perfect KS4, page 15

- Fun game to roughly calculate chanichim's ecological footprint
- Help chanichim understand the impact their lifestyle has on the environment

An online version of this game can also be play at

 <http://www.biggreenjewish.org/going-green/your-green-promise.php>

Who is Responsible?

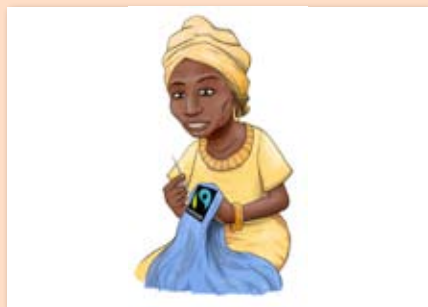

Climate Change, page 10

- Chanichim will questions who is responsible for climate change through a T.V Debate

Get Active

Future Perfect KS4, page 16

- Chanichim will create an environmental campaign and action plan for machane

Trade Education

The World Trade Game

Trade KS3/4, page 21

- Fun interactive group activity
- Effectively explores the reality of world trade.

From Crop to Cup: the Coffee Trade

Trade KS3/4 page, 20

- Interactive activity
- Explores and compares conventional international trade and Fairtrade.

Three Ladders: Development, Tzedaka and Ethical Consumerism

Trade KS3/4, page 24

- Chanichim explore the relationship between various levels of development and tzedaka
- Think about their role and responsibility as consumers.

Additional Peulot

Children's Right - Rami's Rights

Pesach and Children's Rights KS2 page 19

- Fun drama activity
- Chanichim learn through drama about the struggle to access education in India.

Microcredit - Shaheeda & Friends

Microcredit, age 11+, page 7

- Role-play based in India where chanichim participate as women seeking to set up their own business.

Microcredit - Small Business Role Play

Microcredit, age 7-11, page 10

- Uses role-play to enable participants to empathise with people's lives in rural India.

Future Perfect Play

(training in how to run this interactive play is taking place at the UJIA on the 16th May 2010)

- Interactive drama workshop where participants explore sustainable development and the need to consider future generations.

Taking Action on Machane

Fairtrade

- Stock up & buy Fairtrade food for summer camp: chocolate, coffee, tea, bananas, the list is endless! Find more on;

http://www.fairtrade.org.uk/products/retail_products/default.aspx

- Clothes can also be made from Fairtrade cotton - why not get Fairtrade kippot? You can order them here: <http://www.fairtradekippot.org>

The Environment

- Introduce a 3R policy (reduce, re-use, recycle) on summer camp
- Don't leave lights on unnecessarily...when you leave the room or over Shabbat
- Don't leave electrical items on standby...televisions, laptops, DVD players
- Cut down on water use (we're currently using our planet's fresh water faster that it can be replenished)...encourage chanichim to switch tap off when brushing their teeth, spend 2 minutes less in the shower
